

AUGUST 2022

William Morris Craft Fellowship Trust Fellows' Fund

AIMS

With the 'Fellows' Fund', WMCFT hope to support current and previous Fellows, and craftspeople with a proven commitment to hosting travelling Fellows. The purpose of the grant is simply to enable continuation of craft practice, and to enable the recipient to continue passing on their knowledge and skills in the future. The Fund is intended to ease financial strain for craftspeople working in the historic built environment, who do not have considerable savings or other income sources to rely on.

GRANTS

Grant payments are usually £500 are made at the discretion of the WMCFT Trustees overseeing the Fund.

APPLICATIONS

Applicants must complete a short application form briefly outlining the reasons for application. We aim to keep the application simple, and to give a response swiftly. The application form is available on our website or by request from the email below. Trustees would also be pleased to discuss your application beforehand if you have any queries.

Who can apply	You are eligible to apply if: <ul style="list-style-type: none">• You have completed the Fellowship programme OR• You can demonstrate support of the Fellowship programme i.e through hosting visits and placements for Fellows. AND you intend to continue in the heritage sector.
What	One-off grants of £500 for continued professional practice.
When	We are inviting applications continuously for the time being, but this is subject to change in the future.

For more information and to apply please get in touch via hello@wmcft.org.uk

DONATIONS

If you find yourself in a position to give back, we would very much appreciate donations to the fund, which we are delighted to receive and redistribute according to need. To donate for this purpose please go to our [Just Giving page](#) or the contact email above.
